The Preston & County of Lancaster Queen Victoria Royal Infirmary.

REPORT

OF THE

BOARD OF MANAGEMENT for the Year 1939.

The Board of Management have the honour to submit the Annual Report for the year ending 31st December, 1939, being the seventieth since the opening of the Infirmary in 1869.

Obituary.

The Board record with deep regret the deaths of three gentlemen who had taken a deep personal interest in the work and rendered most valuable service :—

Alderman R. C. Handley, J.P., a member of the Board of Management and Chairman of the Workpeople's Infirmary Fund for ten years. By his passing the Infirmary has lost one of its staunchest supporters.

Albert Edward Cartmell, Esq., a Vice-President and a member of the Board of Management for 21 years—following in the latter capacity Mr. Henry Cartmell, J.P., his late father, who was a member of the Board from 1890 to 1908, and also his uncle, Alderman Henry Cartmell, 1918-1925.

Arthur Hodgkinson, Esq., a Vice-President and for many years Honorary Treasurer of the Workpeople's Infirmary Fund, who had rendered valuable services to the Infirmary over a period of thirty years.

Chairman Honoured.

The Board were pleased to accord their hearty congratulations upon the accolade of Knighthood conferred by His Majesty the King upon the Chairman, Sir William Ascroft, M.A., D.L., J.P., in recognition of the important public service rendered to the County by Sir William over many years.

The War Situation.

Owing to the uncertainty of the international situation during the first eight months of the year and the outbreak of war at the beginning of September, the year under review proved a somewhat anxious one for the Infirmary, bringing in its train difficult problems. The protection of the hospital and its patients and staff against the effects of enemy aerial bombardment became a matter of serious concern to the Board of Management. Hospitals were erected as Palaces of Healing and not designed as Fortresses. Nevertheless, all reasonable precautions have been taken involving a heavy expenditure. The Infirmary was designated by the Ministry of Health as a Class 1A Emergency Casualty Hospital for the reception of Air Raid casualties and Service Sick from the usual area served by the Infirmary, and the Lostock Hall and " Willows " Hospitals were similarly classed as 1B Hospitals.

The War has delayed the carrying out of several schemes for the improvement and extension of the Infirmary which the Board of Management had arranged to commence. Fortunately they were able to complete the extension of the Nurses' Home in progress at the commencement of hostilities, but were obliged to postpone, until the return of peaceful times, the erection of the Orthopædic Wing, the new Private Patients' Unit, and the extension of the Mortuary and Post-mortem Block, as well as the establishment of the proposed Neurological and Orthoptic Clinics.

On September 1st in accordance with instructions from the Ministry of Health all patients who could be transferred to the Auxiliary Hospitals or sent home were evacuated. As a result only 147 patients were left in the three hospitals, and for sometime admissions were restricted to acute cases. As the War position

became clearer more and more beds were gradually allowed to be used for normal purposes with the consent of the Ministry of Health, until in a few weeks four-fifths of the normal activity of the hospital was resumed.

An additional 152 beds, together with the ancillary equipment, were supplied by His Majesty's Government for the treatment of Casualty cases connected with the Emergency, 107 of which were erected and are being kept ready for immediate use, the remainder being held in reserve. Happily, there have been no Air Raid casualties but a proportion of the beds proved useful for the treatment of sick members of the various defence services and evacuees. These additional beds, as well as twenty per cent. of the normal beds, are kept in constant readiness for the reception of casualties.

The Hospital also undertook responsibility for manning the Mobile posts under the First Aid scheme and the Nursing Staff has trained about 100 Auxiliary Nurses for service either with the Forces or with hospitals under the Emergency Scheme. The Board has allowed the Local Authorities the use of the East Ward which has been fitted up as a First Aid Post for " Walking " Casualties.

The Board wish to record their sincere appreciation of the valuable services rendered by Members of the Men's and Women's Sections of the Infirmary's Voluntary Emergency Service—the men having formed teams of 25 volunteers, each of which has stood by one evening each week and also through the day on Sundays to place patients as far as possible in a place of safety, whilst the women have prepared dressings and linen for the patients, assisted the Nurses and rendered useful service in the domestic field. They would also express their thanks to the Preston Sea Scouts and members of the Infirmary's Male Staff for carrying out sandbagging and other protective work.

The Year's Work.

The War period and the preceding months of uncertainty and crises affected the normal working of the hospitals. The need to have a larger proportion of beds empty to meet sudden

emergencies had the effect of lowering the total number of In-Patients treated during the year, as well as the average length of stay.

The new Skin Department was opened on the 1st April, 1940, under the direction of Dr. Paul Meiring, M.D.(Edin.), M.R.C.P. (Edin.), and has proved a most useful addition to the Infirmary's Medical services.

The aggregate number of patients treated was 43,110, compared with 43,691 in 1938, the daily average number treated being 1,040 (330 In-Patients and 710 Out-Patients).

In-Patients.

The number of In-Patients treated to a conclusion was 6,717, of whom 89.8 per cent. were cured or relieved, 4.7 per cent. unrelieved, and 5.5 per cent. died. Of the 367 deaths, 118 took place within 24 hours and a further 30 within 48 hours of admission; when the latter are deducted the rate is reduced to 3.26 per cent. as compared with 3.3 per cent. in the previous year. As 2,535 patients were admitted either as a result of serious accidents or as emergencies, the results may be considered highly satisfactory. The average stay of each patient in the Infirmary was 15 days, as compared with 15.8 in the previous year.

Auxiliary Hospitals.

The two Homes of Recovery have again proved of great value in relieving the wards of the Infirmary and in assisting in the recovery of 1,200 patients, of whom 559 women and 145 children were transferred to " Lostock Hall " and 496 men to " The Willows." The average stay of each patient at " Lostock Hall " was 17 days and at " The Willows " 16 days.

The patients transferred have derived great benefit from their stay and most of them have been restored to health and strength in these delightful homes.

Convalescent and Spa Treatment.

Thirty-nine sick persons were sent for recuperative treatment to the Southport Convalescent Hospital and twenty-nine to the

Devonshire Hospital, Buxton, for treatment of rheumatic conditions. The Board express gratitude to the Governors of the Cotton Districts Convalescent Fund for providing the means whereby patients may enjoy the great benefits of convalescence under skilled supervision.

Out-Patients.

In the Out-Patients' Department 36,393 persons received attention, including 14,280 accidents and casualty cases. The attendances totalled 222,060 (compared with 209,229 in 1938).

Motor Accident Cases.

299 persons were treated for injuries received in Motor Traffic accidents. Of these 120 were In-Patients who occupied beds for 3,055 days (or an average of 8.4 beds daily). The cost of treatment was £1,429 3s. 11d. The amount recovered during the year in respect of these patients, and the arrears of the two previous

years, was £1,340 19s. 5d., leaving £88 4s. 6d. to be paid out of the general funds of the Hospital, as compared with £618 7s. 4d. in 1938.

Medical Staff.

The Board record their indebtedness to the members of the Visiting Medical and Surgical Staffs for the high standard of their work and unremitting care of the patients, and extend their appreciation of the satisfactory service rendered by the Resident Medical and Surgical Staffs.

The following Senior appointments were made during the year :—

Dr. Paul Meiring, M.D.(Edin.), M.R.C.P.(Edin.), Honorary Dermatologist.

Dr. A. W. Andison, M.D., M.R.C.O.G., (Temporary Consultant Obstetrical Surgeon).

Mr. A. MacDiarmid, F.R.C.S.E., (Resident Surgical Officer).

The Nursing Staff.

The Annual Distribution of Training School Medals and Prizes was made on the 28th August, 1939, by Mrs. Morris, the Mayoress of Preston, the Nurses being addressed by the Right Worshipful The Mayor of Preston, Alderman W. E. Morris. The Board appreciates the devoted manner in which, under the efficient leadership of Miss M. A. Marks (the Matron of the Infirmary), and Miss S. F. Rossiter (the Assistant Matron), Miss A. M. Ronson (the Matron of the " Lostock Hall " Hospital), and Miss E. B. Rice (the Matron of " The Willows " Hospital), the Nursing Staffs of the respective hospitals have carried out their duties during an anxious year and values very highly the kindness and sympathy shown by them in the nursing of the patients under their care.

The Extensions to the Nurses' Home (comprising 44 bedrooms with Sitting and Recreation Rooms and an extended Dining Room) were completed and formally opened by The Right

Worshipful The Mayor of Preston on the 30th January, 1940, the temporary Night Nurses' Home at Ashton Park being closed. The Nursing Staff have now a beautiful, comfortable and well appointed Home, and are being well rewarded for the discomforts experienced during the building operations.

The Nurses' Training School continues to uphold its high traditions. One hundred and seventy-nine applications were received and 36 candidates accepted for training. Satisfactory results have again been obtained by the Nurses taking part in the examinations of the General Nursing Council and the Central Midwives' Board. Twenty Nurses entered for the Final State Examination and 20 passed at first entry (100 per cent.). In the Preliminary State Examination, 22 candidates entered and 19 passed at first entry (86 per cent.). Twenty Nurses entered for and succeeded in the Hospital Final Examination.

Administrative and Other Staffs.

The Superintendent and Secretary, Mr. John Gibson, F.H.O.A., who was appointed a Justice of the Peace for the County Borough of Preston during the year, completed twenty-one years service under the Board, having been appointed Secretary on the 19th July, 1918. The Board expressed their appreciation of the able and devoted services rendered by Mr. Gibson, to whom they made a presentation as a token of their gratitude.

The Board again wish to accord their appreciation of the excellent services rendered during the year, under trying circumstances, by Mr. Gibson, Superintendent and Secretary, and the Office Staff, as well as by the other Staffs under his personal direction.

Finance.

It is pleasing to report that at the end of the year considering the prevailing War conditions the Finances were in a satisfactory condition, due mainly to an increased contribution from the Work-people's Fund and grants made by the Ministry of Health in respect of the Emergency Hospital Service.

The year commenced with a deficit of £9,874 17s. 1d. The total income received was £82,190 0s. 2d. of which £4,330 18s. 0d. was in respect of Free Legacies and other extra-ordinary income. The total expenditure was £79,520 2s. 1d. which included £17,226 9s. 1d. for the Nurses' Home and other Extensions, Air Raid Precautions, Laundry and Kitchen Equipment and other extra-ordinary expenditure.

The sum of £7,000 was transferred from the legacy fund of the late Mr. W. W. Galloway in respect of the cost of the Nurses' Home Extension. The net result is that the deficit was reduced to £204 19s. 0d.

The ordinary expenditure was increased by the sum of £2,407 19s. 10d., principally due to the increased amounts paid in salaries to Doctors and Nurses, and to the cost of repairs and

decorations at the Lostock Hall Hospital. Owing to the Rationing orders and the purchase of heavy stocks before the commencement of War, the Hospital did not greatly feel, during the last four months of the year, the effects of the increased prices, but the latter have since become apparent during the year 1940.

The expenditure on Air Raid Precautions was £2,102 11s. 1d. It is expected that the Ministry of Health will make a substantial contribution towards this sum.

The Blacking-out of the three Hospitals also cost £470 3s. 0d. which is not considered to be a final figure.

Attention is drawn to the Statement of Accounts following this Report, containing detailed particulars of the Income and Expenditure.

The average costs per patient are appended :—

Subscriptions and Donations.

The Board express their thanks to those firms, societies and individuals, who have generously assisted with subscriptions, donations, grants or services rendered and by the organisation of entertainments and other efforts in aid of the Maintenance, Building and other Funds. Such gifts have proved the greatest possible service.

An appeal, however, is made for assistance from those persons and firms who at present make no personal contribution to the upkeep of their Infirmary.

It is again respectfully suggested that employers might give consideration to the possibility of basing their subscriptions upon the amount given by their employees—a system which has been adopted extensively over the country and introduced into this district by several local firms.

Workpeople's Infirmary Fund.

The record sum of £40,996 3s. 3d. was received for the maintenance of the Infirmary from the Workpeople's Contributory

Scheme. The general adoption by the Workpeople of the Town and District of the increased rate of weekly contribution has been welcomed by the Board, whom it has relieved of a good deal of anxiety regarding the future maintenance of the Hospital. Therefore the Board desire to express their warm appreciation of the efforts made by the Officers and Members of the Committee, the general body of representatives and those employed in the Mills, Workshops and Business Houses, as well as those who have taken part in the collection.

Church and Sunday School Collections.

The Clergy and Ministers of the Churches of all denominations in Preston and District made the annual Hospital Sunday appeal. The following is a summary of the amounts received :— Anglican Churches, £868 13s. 2d.; Nonconformist Churches, £295 10s. 11d.; Roman Catholic Churches, £196 5s. 2d.; and £10 8s. 5d. from private subscriptions, the total being £1,370 17s. 8d., a decrease of £38 14s. 10d. Leyland Parish Church again headed the list with a generous collection of £107 2s. 6d.

Having regard to the inclement weather often experienced when the collections are generally taken, namely the last Sunday in January, the Board appealed to the Clergy and Ministers to alter the date of Hospital Sunday to a Sunday in the Spring but unfortunately the suggestion has not met with general approval.

" Alexandra " Rose Day.

The Festival was again held in Preston and the district served by the Hospital, under the Presidency of the Mayoress of Preston, Mrs. Morris, with the assistance of a large band of ladies who took charge of districts or sold roses in the streets or from door to door. The result of the appeal proved satisfactory, the amount raised being £677 4s. 10d., of which £373 0s. 0d. was contributed in Preston, and £304 4s. 10d. in the County Districts. Managers of Works, Hotel Keepers, Teachers and Scholars of Schools also assisted in the effort.

Ladies' Linen League.

The Ladies' Linen League has again assisted the work of the Infirmary by supplying bed and other linen to the value of £294 7s. 5d. This most helpful organisation has supplied, over a period of twenty-six years, linen to the value of £6,087 16s. 5d.

Gifts in Kind.

Gifts in kind have again proved a most useful addition to the Infirmary's income.

A box of grapes was received from Their Majesties the King and Queen; 39,478 eggs were collected chiefly through the efforts of the Teachers and Scholars of the various schools in the county area, as well as the Churches. Messrs. Ellis Wilkinson, Ltd., supplied the Soda Water used by the patients, and Messrs. Brown and Deighton, Ltd., oil for motors and machines, gratis. The various Churches sent Harvest Festival Offerings; a large gift of toys was received at Christmas from Miss Hilda M. Foster and her friends; a considerable number of ladies and gentlemen helped to give the patients a good time, by gifts of money or kind, at Christmas, and numerous other gifts during the year. The following gifts are of special interest. Lord Nuffield presented a Mechanical Respirator, which has proved most useful in the treatment of certain cases. Mrs. Gregson, of Highgate Park, Fulwood, presented a used Daimler car, which has been converted into an ambulance.

New Private Wards Block.

For some time the Board of Management have felt that a new Private Ward unit was an urgent necessity. The present wards which were erected in 1925 were intended to be only a temporary expedient, and it is now considered that they are neither adequate nor do they comply with the present day standards. Therefore, with great pleasure the Board announce the gift (through the Chairman, Sir William Ascroft) by the Trustees of the late Mr. J. Alfred Clayton, to whom they are indebted, of the sum of £9,875 12s. 5d. to be devoted towards the establishment at the Infirmary of a new Paying Patients' Block. The Board had

hoped to proceed during the year with the erection of the extension, but unfortunately the War prevented them doing so, so that the project has been postponed until a more propitious time.

Radium Fund.

The Board have pleasure in announcing that Mrs. M. E. Rawsthorn, of Burton (formerly of Preston), made a Donation of £300 which has been added to the Radium Fund for the benefit of patients suffering from Malignant Disease. This Fund now stands at £1,145 6s. 0d. Last year 264 patients attended the Clinics held at the Infirmary by the Radium Specialist from the Christie Hospital and Holt Radium Institute, Manchester.

MEMORIALS.

The Board are pleased to announce the following additions to the number of named Beds and Cots at the Infirmary.

Brown (Surgical) Ward.

" The Albert Edward Cartmell Bed."

Endowed by Mrs. Elizabeth Alice Cartmell in memory of her husband, Albert Edward Cartmell, Esquire, late of 63 Watling Street Road, Fulwood, a member of the Board of Management, 1918-1939, also a Vice-President.

" The Joseph Emery and Eliza Ann Emery Bed."

Endowed by Mrs. Eliza Ann Emery, of 15 Devon Avenue, Fleetwood (formerly of Preston), in memory of her late husband, Joseph Emery (formerly of Liverpool and Preston) and herself, 1939.

Maternity Hospital. (The Cecily Ingham Ward).

" The Ingham and Tipping Bed, No. 5."

Endowed by Messrs. Ingham & Tipping, Ltd., of Bamber Bridge, 1939.

" The Ingham and Tipping Bed, No. 6."

Endowed by Messrs. Ingham & Tipping, Ltd., of Bamber Bridge, 1939.

Messrs. Ingham & Tipping, Ltd., have now completed the naming of all the six beds in No. 1 Ward of the Maternity Hospital, which has now been designated The " Cecily Ingham " Ward, after Mrs. Ingham, the wife of Mr. J. E. Ingham, the senior member of the Firm, and a member of the Board of Management.

No more useful memorial to perpetuate the memory of a dear one or an honoured name can be selected than the naming of a Bed or Cot in the Infirmary, as such a gift perpetually assists in bringing back to health patients stricken by disease or injury. £1,000 names a Bed in an Adult Ward and £500 a Cot in the Children's Wards or Maternity Hospital Nursery.

On the other hand, there are many friends of the Infirmary who are not in a position to name a Bed or Cot, but who are able to bequeath a smaller sum. The Board respectfully suggest that those so placed might consider the needs of the Infirmary when making a Will or Codicil.

The following Memorial Windows were placed in the Chapel, and later (on the 28th January, 1940) were dedicated by the Anglican Chaplin, The Rev. J. H. Finch, M.A., on behalf of the Lord Bishop of Blackburn, the Right Reverend Percy Herbert, D.D., who was prevented from performing the ceremony by the blizzard which raged that day.

The " Florence Nightingale " Window, in memory of Alexander Foster, Esq., J.P. (late Chairman).

The " St. Luke " Window, in memory of the late F. W. Collinson, Esq., M.D., F.R.C.S.E. (Surgeon).

The " St. John " Window, in memory of the late Dr. W. H. Pimblett (Physician).

The " St. Paul " Window, in memory of the late W. W. Galloway, Esq., J.P. (Benefactor).

Bequests.

The Board gratefully acknowledge the receipt of the following legacies :—

The late Mrs. E. E. Molyneaux	157	9	5
The late Mrs. Isabella Norris	90	0	0

Ladies' Maternity Committee.

The members of the Ladies' Maternity Committee (under the Chairmanship of Mrs. Foster) have made frequent reports to the Board on the care of the patients in the Maternity Department, and have continued to minister to the comfort of the patients by supplying light refreshments at the ante-natal clinics, in supplying garments for the babies, and in equipping the Babies' Laundry with an electrical washing and ironing apparatus. By so cheerfully performing these tasks the members have rendered most useful service.

Personal Service.

The Board accords its thanks to all who have rendered personal service, amongst whom may be mentioned :—

The respective Chaplains, who paid frequent visits and ministrations to the patients.

The Ladies' Working Party, who attended at the Infirmary regularly each Wednesday afternoon and made or mended articles of Bed Linen or Clothing, and the Knitting Circle, who supplied woollen garments for the babies in the Maternity Hospital.

The Lady Members of Toc H, who attended weekly and distributed from bed to bed books from the Library; the Gentlemen who from that Fellowship visited the Lostock Hall and "Willows" Hospital each Sunday for the same purpose. Their services have been much appreciated by the patients.

Mr. A. C. M. Lillie, A.R.I.B.A., who rendered professional service without charge in connection with a number of small improvements.

Mr. Cyril Farnworth, who played the organ each Sunday at the Infirmary.

The Editors of the local Newspapers, who rendered valuable assistance in publishing reports descriptive of the Hospital's work.

The Officers of the Preston Town Council, the Lancashire County Council and other local bodies who have helped the Institution in many ways.

Blood Donors.

Among the many who have assisted the Infirmary in its work, none are more deserving of thanks than those who have given Blood in an effort to save life. Not only have these services been utilized for the ordinary civil patients of the Infirmary, but in future they will be used in a service of vital national importance connected with the treatment of casualties arising from the present War.

As the War Clouds gathered in the early Summer, a Blood Bank was organised, and there were enlisted approximately 1,200 volunteers who were tested and grouped by the Pathologist. Volunteers gave blood to be stored for possible emergencies which happily have not so far arisen. Blood can now be treated so that the remaining plasma will remain efficacious in storage for twelve months.

Since the close of the year, the Lancashire County Council and the Preston Corporation have given their co-operation, and an effort is being made to enlarge the scope of the service, so that it may be made available to other hospitals in the neighbourhood, and in case of need to other districts in the North-Western Area.

Local Authorities.

The Board has continued its usual cordial relationships with the Local Authorities. Following the formation, on the 19th January, 1939, of a Local Advisory Committee for the co-ordination of hospital services (consisting of three members of the Infirmary Board of Management, three members of the Corporation of Preston, with the respective medical and lay officials), a meeting of the Joint Committee was held at the Infirmary on the 27th June, 1939, when matters affecting the relations of the Infirmary and the Sharoe Green Hospital were fully

discussed. But for the War, further meetings would have been held.

The agreement relating to the treatment at the Sharoe Green Hospital of certain members of the Workpeople's Infirmary Fund and their dependents having terminated on the 31st January, 1939, a new agreement was negotiated and concluded, the arrangements to remain in force until the end of the War period.

A Reciprocal arrangement relating to the training of pupil Midwives was also entered into between the Infirmary and the Sharoe Green Hospital, the former being approved by the Central Midwives Board for Part I training, and the latter for Part II.

The Agreements made with the Corporation of Preston and the Lancashire County Council relating to the Joint Scheme of Maternity Services for three years expired on the 31st March, 1940, and was renewed on the same terms for the duration of the War.

Co-operation with the Local Authorities in connection with the National Blood Bank has already been mentioned.

The Future.

The record of the past year shows that notwithstanding the difficulties already experienced, the Infirmary and its auxiliary Hospitals have been maintained in a state of efficiency. Though the immediate future may bring troubles and trials in its train, the people of Preston and District may rest assured that the Board, along with its Staff of Doctors, Nurses and Officers will endeavour to render the same devoted service to the suffering people of Preston and District as has been given during the past seventy years of the Hospital's existence. The Board feel confident that, not only in this testing time of war but when peace returns, the support of the people of Preston and District will continue to provide the funds necessary to maintain in an efficient manner the services of the Hospital which are so vital to their needs.

On behalf of the Board of Management,

WILLIAM ASCROFT,

Chairman.

Matron's Report on Nursing Staff, 1939.

I have the honour to submit my report on the Nursing Staff for the year 1939.

The early months of the year were overshadowed by the impending war cloud and the Nursing Staff took their full share in the many preparations for Air Raid Precautions and the emergency bed accommodation. Those belonging to the Territorial Nursing Service were called up and many Nursing Auxiliaries were given the prescribed training thus contributing to the National Service.

Badge Day, on August 28th, was saddened by the imminence of the declaration of war which prevented Miss Reynolds, Matron of the London Hospital, from presenting the medals and prizes as previously arranged. The Mayoress of Preston, Mrs. Morris, graciously deputised in her absence. The Medal Recipients were :-

Nurse D. Bell, Alex Foster Gold Medal—87%.
Nurse A. Butterfield, Hilda Foster Silver Medal—86%.
The Ascroft Prize, Nurse Margaret Hall.

Hospital Final Examinations were held in May and October with 100% passes on each occasion.

The State Examination results were as follows :—

24 Nurses took the Final Examination, 23 passed at first entry.
24 Nurses took the Preliminary Examination, 19 passed at first entry.

The number of applicants for training was still much in excess of requirements.

I am deeply indebted to: The Women's Voluntary Service, with Mrs. Alex Foster, as President, and Mrs. Brandwood, as Secretary, which rendered excellent service during the year, and their contribution of useful gifts to the patients at Christmas was a very practical demonstration of their sympathy and interest in the patients; Mrs. Bolton and her most energetic Knitting Circle; the Wednesday Afternoon Sewing Party; those Ladies and Gentlemen who contributed in money and in kind to my Christmas Fund.

In conclusion, I should like to thank the Nursing Staff for their loyalty and help.

M. A. MARKS, Matron.

The League has now completed 28 years of useful work in raising £5,857 by subscriptions or donations from the surrounding country district, funds with which to purchase sheets, pillow-cases and such other articles of a like nature as may from time to time be required for use at the Infirmary. The League is governed by a General Committee elected annually from each village or district within the area served by the Infirmary. Each member of the General Committee is responsible for collecting subscriptions in the village or district which she represents. The Committee considers the Matron's list of requirements and chooses from samples previously sent such articles it considers most suitable.

The following articles were supplied by the League during 1939 :

13 pairs green blankets, 36 pairs white blankets, 50 pairs bed sheets, 12 dozen men's bed-jackets, 10 dozen small towels, 36 quilts, 2 cot quilts, 6 dozen pillow cases, 50 yards grey flannel, 2 dozen locker cloths, 100 yards wincevette, 100 yards roller towelling, 200 yards cot sheeting, 700 yards draw sheeting, towels, tea-towelling, dressing gowns.

Fifty-seventh Annual Report

OF THE

Workpeople's Infirmary Fund.

The Committee of Representatives of the Workpeople's Infirmary Fund beg to submit their Report for the year ending 31st December, 1939.

The Committee deeply regret to record the deaths of Alderman R. C. Handley, J.P., Chairman, and Mr. Arthur Hodgkinson, a former Honorary Treasurer, of the Fund.

Alderman Handley had ably occupied the position of Chairman and served on the Board of Management for upwards of ten years, during which period the Fund made wonderful progress. His wide experience of men and affairs, wise counsel, courtesy, and enthusiasm for the Voluntary System endeared him to the friends of the Infirmary, and his passing will be very keenly felt, not only by the Infirmary, but also by the many Working Class Organisations he so zealously served.

Mr. Hodgkinson rendered valuable service in most carefully looking after the finances of the Fund for twenty-five years following the death of Mr. W. B. Roper, J.P., one of the Founders of the Fund, and his services were recognised by the Subscribers and Donors, on his appointment as a Vice-President of the Infirmary.

It is a pleasure to record that the Fund has again made satisfactory progress during the past year, the change-over in the rate of Contributions from twopence to threepence per week, commenced two years ago, having now been almost generally adopted.

The Statement of Contributions following this Report covers the period of one year to the 30th September, 1939. The Collections from the Mills, Workshops and Business Houses of Preston totalled £22,744 9s. 8d., and from the County Districts £16,889 13s. 6d., the London, Midland & Scottish Railway Servants' Hospital Fund forwarded £1,401 1s. 0d. in respect of treatment rendered to their members, and Bank Interest added £1 11s. 7d., making a total sum of £41,036 15s. 9d. To bring these accounts into line with those of the Board of Management (whose financial year ended on the 31st December, 1939) the usual adjustments shown in the Statements have been made. The grand total for the year ending the 31st December, 1939, is therefore £42,903 1s. 5d. After payment of the cost of treatment rendered to members and dependents by other Hospitals and Administrative expenses, the balance paid over to the Board of Management towards the maintenance of the Infirmary and its Auxiliary Hospital was £40,996 3s. 3d.

The increase in this year's total gross Contributions amounting to £5,007 5s. 3d. has been invaluable in assisting the Board of Management to meet the increased cost of maintaining the Infirmary under war conditions.

The efforts that have been made by the Board of Management to reduce the working hours and improve the living conditions of the Nursing Staff, have given pleasure to everyone connected with the Workpeople's Fund.

The Extensions to the Nurses' Home, made possible through the generosity of the late Mr. W. W. Galloway, J.P., and his Trustees, have been completed and the Nursing Staff now enjoy living conditions which can hardly be surpassed in any other Hospital.

The happening of this lamentable war has, however, had the effect of postponing the erection of the much needed New Orthopædic and other Wards, which will now have to wait for the advent of more settled times.

As the prices of most commodities and services have increased considerably and continue to rise, the Committee hope that all persons employed in new industries and war work will contribute, so that the Fund may be maintained and, thereby, help to lessen the present financial anxiety.

This Contributory Scheme has been admitted to membership of the British Hospitals Contributory Schemes Association and is thus now working in co-operation with most of the Voluntary Hospitals' Contributory Schemes in the kingdom.

The new arrangements continue to give satisfaction to the Contributors, and particularly to those, who, owing to the nature of their complaint or who live outside the Infirmary's area, have been referred by their Doctors to other Hospitals. Under the old system, the latter would have had to bear the heavy cost of such treatment themselves. The payments made to other Hospitals amounted to £1,293 3s. 9d.

The Committee have released from payment of contributions Members in His Majesty's Forces whose war pay and allowances amount to less than their former civil pay, whilst keeping their dependents within the benefits of the Scheme. This privilege extends to 30th September, 1940. It is hoped, however, that as many families as possible will contribute to the Fund through the Individual Members' Scheme.

The total number of patients treated at the Infirmary was 43,110, or an average of 1,040 per day (330 as In-patients and 710 as Out-patients). 6,717 patients were treated in the Wards and 36,393 as Out-patients, including 14,280 accidents and casualties. The attendances at the Out-patient Department for advice or treatment totalled 222,060. One thousand two hundred men, women and children received convalescent treatment at the Lostock Hall and "The Willows" Hospitals. In addition 39 persons were sent to Southport for recuperation and 29 to Buxton for spa treatment. It is estimated that about seventy per cent. of the patients received free treatment through the medium of this Fund. The cost of maintenance was £62,293 13s. 0d., the expenditure upon Extensions and Air Raid Precautions being £17,226 9s. 1d.

Whilst the Workpeople have given magnificent support, the Committee express disappointment that, generally speaking, the Employers have not responded to the appeal of the Board to increase their assistance. In some other districts, Employers base their subscriptions on a percentage of the sum given by their Staff—say, one halfpenny or one penny for each employee per week. The English Electric Co., Ltd., and the Ribble Motor Services, Ltd., have made grants on such a basis for some time. It is hoped that the example of these firms will be widely followed.

The Workpeople's Representatives on the Board of Management have reported on their frequent visits to the Infirmary and the Convalescent Hospitals that the patients have generally been well satisfied with the treatment they have received. Few complaints have been received; not one of a serious nature. Sincere thanks are tendered to the Medical, Surgical and Nursing Staffs for the skilled attention and devotion extended to the patients.

The Representatives have also taken a keen interest in the administration of the three Hospitals comprising the Institution and have been regular in their attendance at the various meetings. They are satisfied that the management has been efficiently and economically conducted. The services they have so willingly rendered are heartily appreciated.

Mr. Thomas Walsh was elected to the Executive Committee as a representative of the employees of the Transport Industry during the absence of Mr. J. Blackburn on war service; Mr. A. Barnes was elected to represent the employees of Messrs. Leyland Motors, Ltd., in place of Mr. T. M. D. Smith, and Mr. V. Steele, the employees of the English Electric Co., Ltd., Preston.

The Committee were pleased to congratulate the Chairman of the Infirmary Board of Management, Sir William Ascroft, M.A., D.L., J.P., upon the honour of Knighthood conferred upon him by His Majesty the King, and express their appreciation of the deep interest he takes in the work of, and the valuable service he renders to, the Infirmary.

The Annual Meeting of the Fund for the year 1938 was held at the Town Hall, Preston, on the 27th March, 1939, when interesting addresses were given by Sir William Ascroft, M.A., D.L., J.P., on " The Work and Development of the Infirmary " and by Dr. A. E. Rayner, M.D., O.B.E., on " Recent Advances in Medical Science." Sir William expressed the thanks of the Board of Management for the assistance rendered by the Fund during the previous year.

Owing to the war, the Annual Ball was not held in Preston, but the Longridge Committee, after the removal of the ban on night functions, were able to hold their Ball at the Co-operative Hall, Longridge, and, as a result of it, they were able to hand over £25 5s. 1d. in aid of the Infirmary's work. The Committee express their gratitude to the Longridge friends for their whole-hearted endeavours. An appeal is made to organisers of social events not to forget, in their enthusiasm for war charities, the needs of the Infirmary.

The Committee are exceedingly grateful for the splendid support given to the Fund during the last year, and extend their most cordial thanks to the Wages Staffs in the various Mills, Workshops and Business Houses, those who have worked so hard in gathering in the subscriptions, and, indeed all who have helped to bring about the satisfactory result of the past year. Individual members are reminded that the Collectors give their services voluntarily and should not be put to any more trouble than is necessary. It would be most helpful if members would send their contributions to the Collectors each quarter.

The Committee appreciate the services rendered by all the Collectors in the area and feel that mention should be made of the achievements of the following Individual Members' Sections:—

Leyland Local Committee, £253 6s. 11d.; Kirkham, £208 10s. 7d.; Garstang and District, £198 1s. 2d.; Pilling Guild of Service, £180 7s. 3d.; Preesall Committee, £107 6s. 4d.;

Hambleton, £99 9s. 0d.; Stalmine, £76 6s 5d.; Freckleton, £69 14s. 4d.; Eccleston, £52 8s. 6d.; Brinscall and Withnell, £51 18s. 9d.; Inskip and Sowerby, £36 14s. 8d.; Treales, £30 12s. 3d.

Miss Cragg (Gt. Eccleston) £96 0s. 0d.; Miss Thompson (Greenhalgh) £60 0s. 0d.; Mrs. W. Royles (Wesham) £56 18s. 7d.; Mr. J. Walker, Jnr. (Longridge) £55 0s. 9d.; Mr. C. Ratcliffe (Penwortham and Lostock Hall) £54 16s. 10d.; Miss Johnson (Chipping and Thornley) £54 11s. 0d.; Mr. A. E. Haworth (Penwortham) £46 16s. 7d.; Mr. T. Baron (Bamber Bridge) £44 4s. 11d.; Mrs. Taylor (Bretherton) £42 11s. 11d.; Mr. F. Allen (Catforth) £41 10s. 0d.; Mr. J. Parkinson (Tarleton) £40 13s. 0d.; Mr. H. Pilling (St. Michael's) £38 12s. 9d.; Mr. F. Cumpstey (Hutton and New Longton) £37 11s. 0d.; Mr. W. Moss (Out Rawcliffe) £36 14s. 6d.; Mrs. Buckley (Elswick) £35 19s. 7d.; Mr. R. Bamford (Longton) £33 12s. 9d.; Mr. F. Halliwell (Farington) £31 8s. 5d.; Mr. J. Embery (Lea) £30 6s. 8d.; Miss Yates (Croston) £27 14s. 1d.

In conclusion, the Committee accord their heartiest thanks to all who have assisted in the organisation and management of the Collections, to the Trustees and Staff of the Preston Savings Bank for receiving subscriptions and acting as Bankers of the Fund, and to all who have supported it during the past year, not forgetting the Officers, who have rendered splendid service.

They hope that the workers generally will give all the support they can to the Institution, so that its work and efficiency, upon which they depend so much in times of serious illness, may not suffer in the difficult days through which we are passing. May the fight for freedom in which the nation is so strenuously engaged be brought to a successful issue before the next Annual Report is presented!

On behalf of the Committee,

JOHN GIBSON,

Secretary.

T. L. COUNSELL,
Hon. Treasurer.

JOHN GIBSON,
Secretary.

10th April, 1940.

LETTERS FROM GRATEFUL PATIENTS
RECEIVED DURING 1939.

Preston Royal Infirmary.

" You will find enclosed the small sum of 2/6, which I hope you will receive safely, and I sincerely hope and trust that all the patients in the Infirmary will have a very happy time. I know from experience that it won't be your fault if they don't have a very enjoyable and happy time at Xmas. I often speak of the lovely times we had in the Infirmary at Christmas, the wards beautifully and tastefully decorated ; in fact, everything possible was done to make everyone as happy as possible under the circumstances. I, for one, appreciated the kindness which was shown by the Staff, and the hard work, which was so kindly and willingly done, to make everything a great success for us poorly and very sick patients ; we even had " Father Christmas " to visit us, and each patient received a lovely present, and we had a lovely dinner ; in fact, to put it short, we had a lovely time, and everything was just great, not forgetting the carol singing, which appealed to me very much indeed—it was very nice ; well it was all so wonderful, and all so systematically worked out, it must indeed need a great deal of forethought to run it all so very smoothly." R. Y. (Bleasdale).

" I should like to express my profound thanks to the Sisters and Nurses of —— Ward for all their understanding and care of my wife. To make any individual distinction would, I think, be quite unfair, since as my wife often said, they were all so wonderful and so kind." G. M. A. (Bolton).

" I wish you to convey the appreciation and very best thanks of my family and myself to the Doctor and Nurses of the Albert Ward who attended my husband before his death on March 22nd. My one consolation is that everything humanly possible was done for him in his last hours, and for this we shall always be grateful to you and your staff.

S. M. P. (Great Eccleston).

"Allow me to express my sincere thanks for the sympathetic care and attention that has been extended to my wife." A. F. (Fulwood).

Maternity Hospital.

are Urgently Needed

THE Secretary will deem it a favour if present Subscribers will help him by sending the names and addresses of others whom they think likely to be interested in the work of the Infirmary, and to contribute to its Funds. He will also be pleased to supply Collecting Boxes, and to arrange for Subscribers, authorised representatives of Employees, and friends, to be conducted over the Hospital by appointment.

"I EXPECT to pass through this world but once; any good therefore, that I can do, or any kindness that I can show to any fellow creature, let me DO IT NOW. Let me not defer or neglect it, for I shall not pass this way again."
